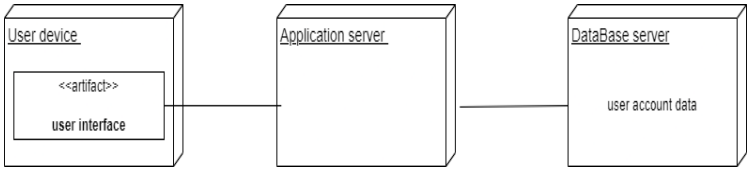
UML Diagrams

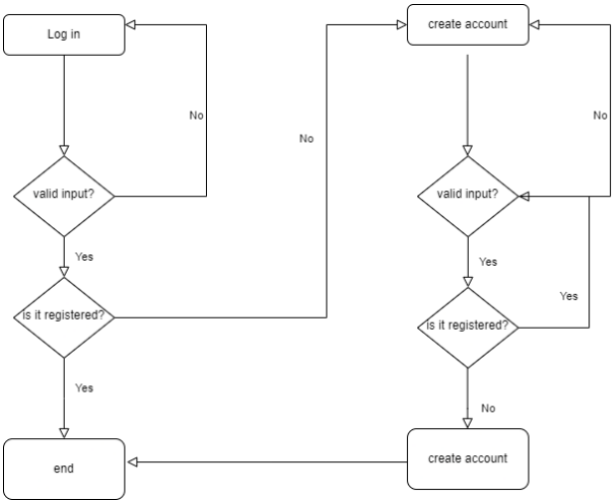
Note: The notation for the diagrams will be:

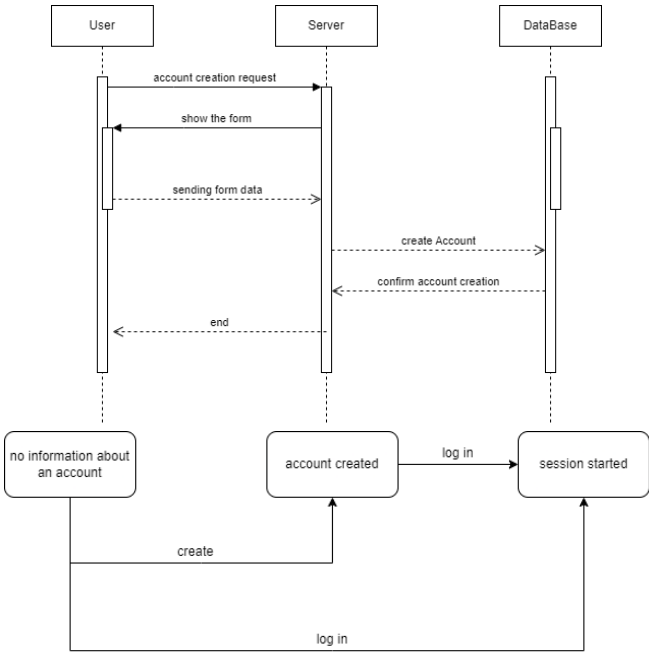
- Deployment diagram - Activity diagram

- Sequence diagram - State diagram

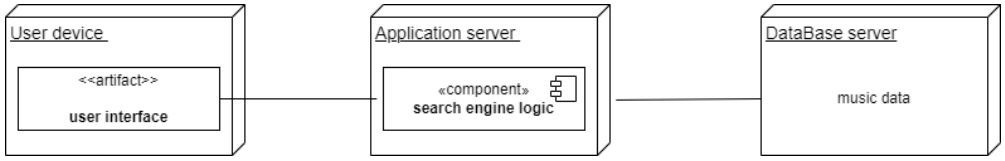
1. As user, I want to create an account to save my data.

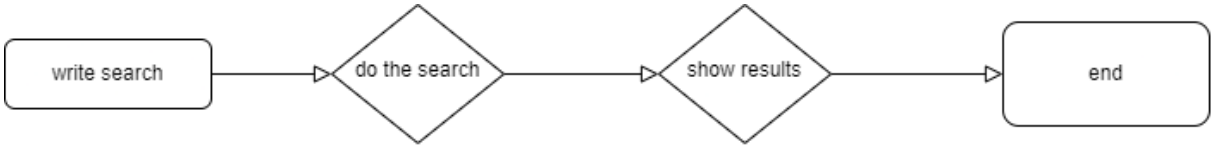


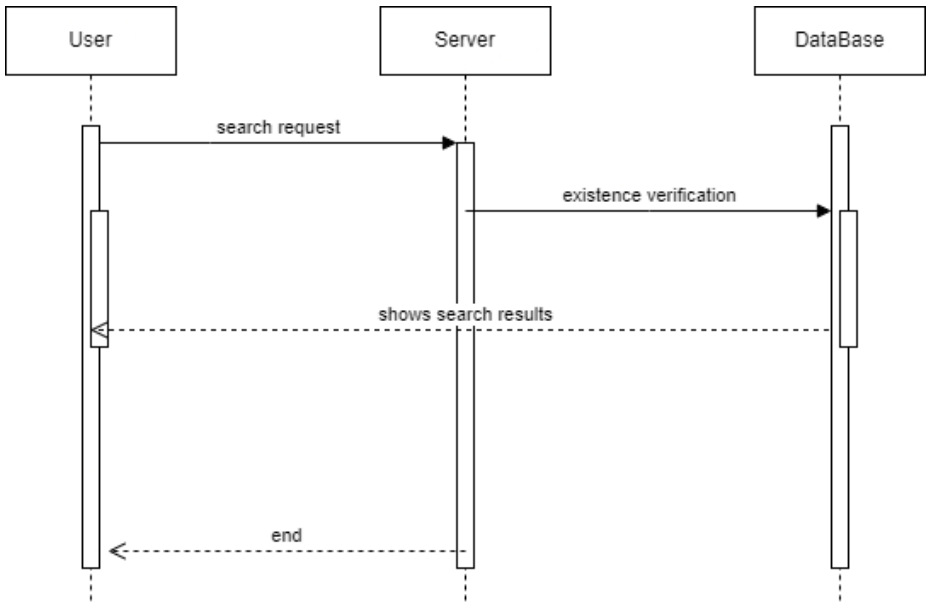


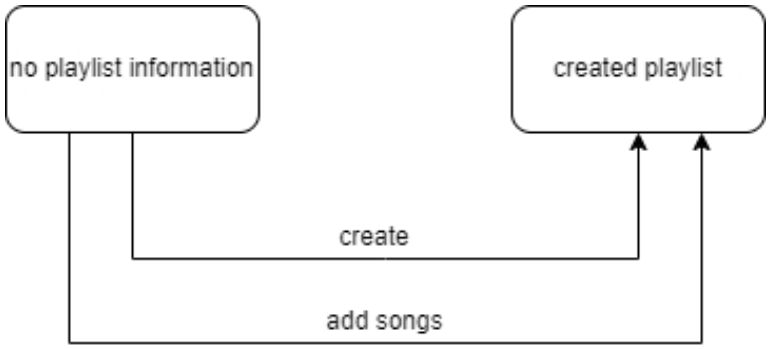


2. As user, I want to be able to search between different musical genres.

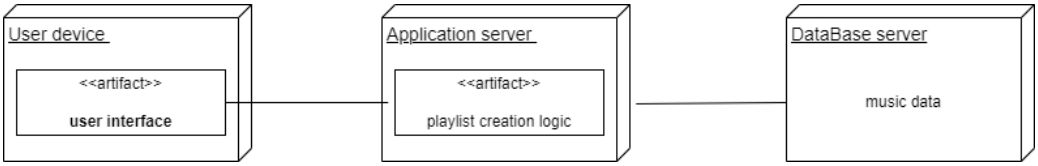


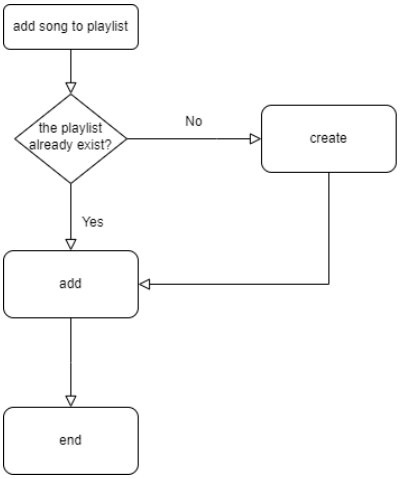


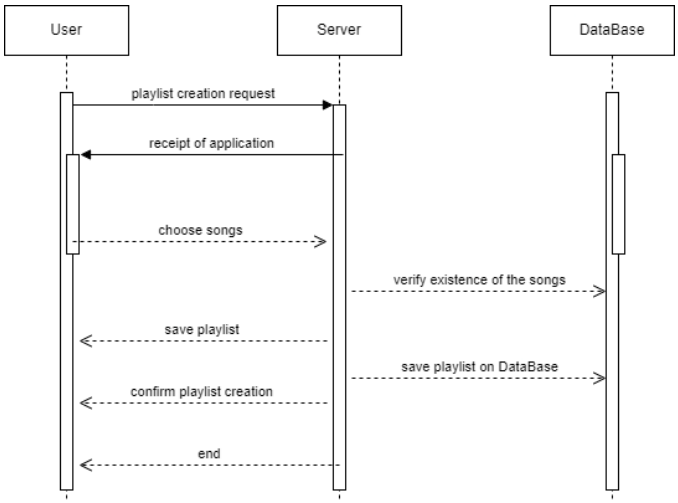


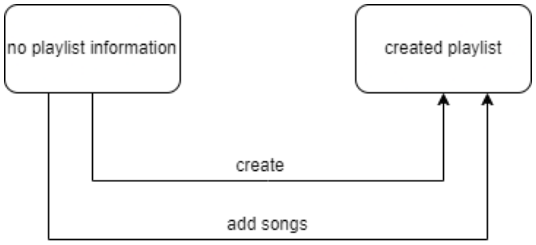


3. As user, I want to create a playlist with my favorite songs.

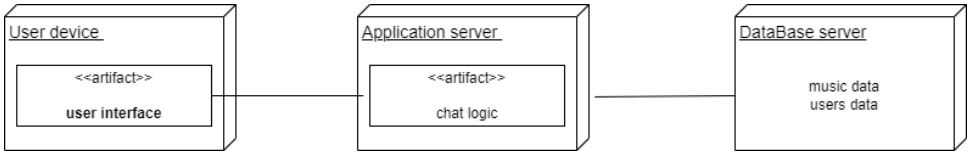


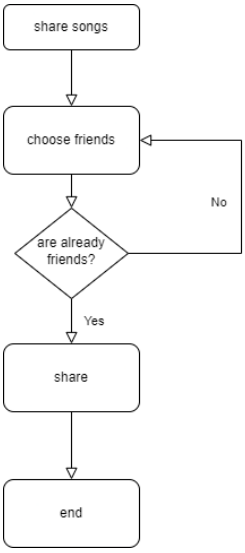


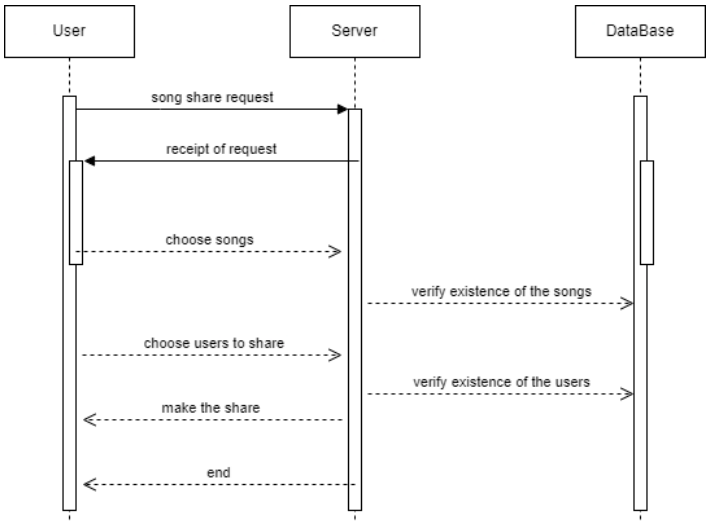


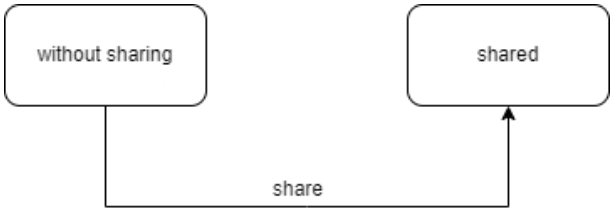


4. As user, I want to share songs with my friends.

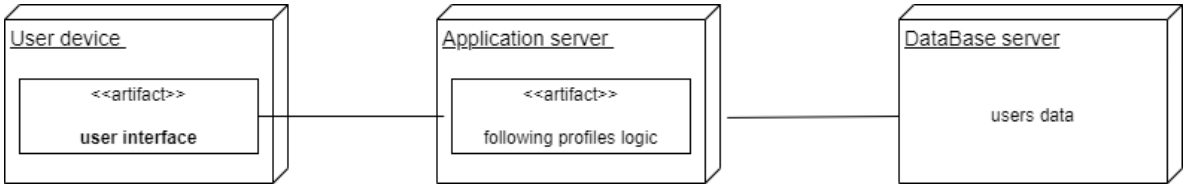


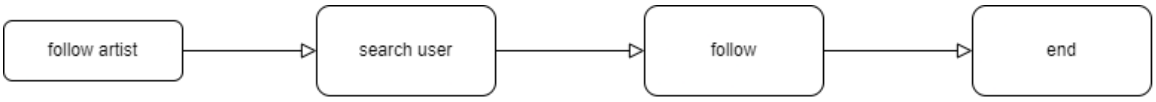


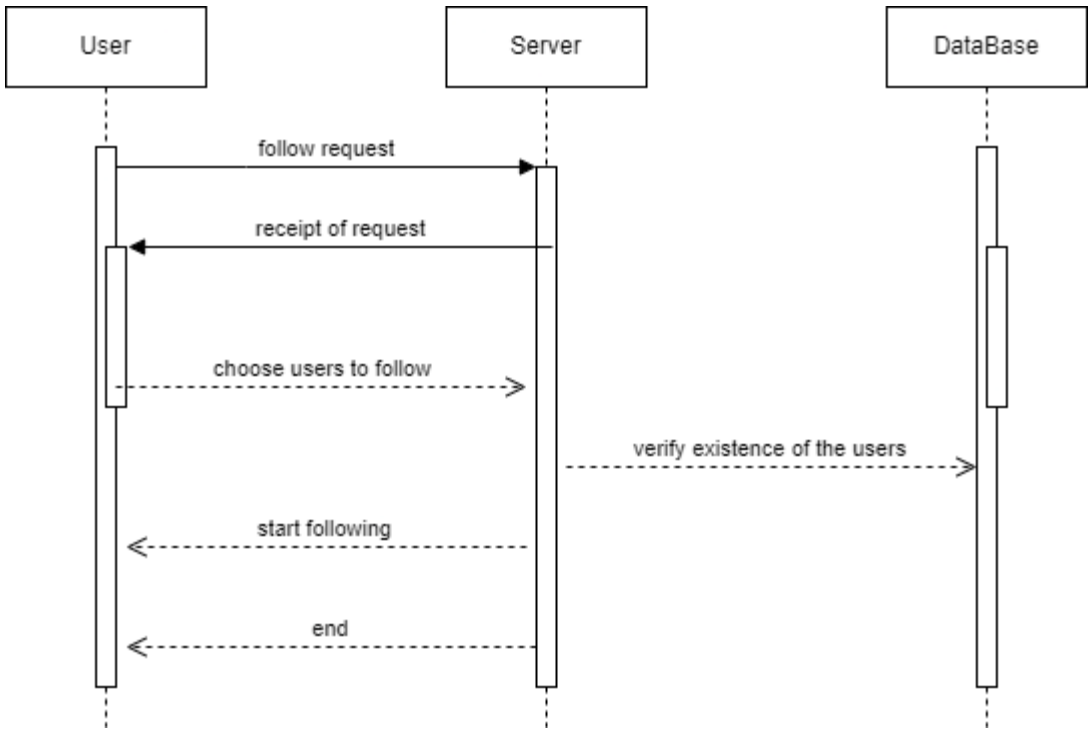


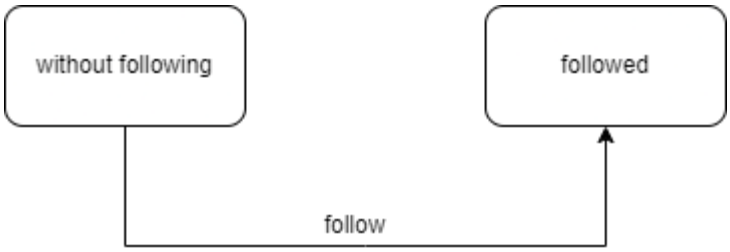


5. As user, I want to follow the profiles of my favorite artists or other users.

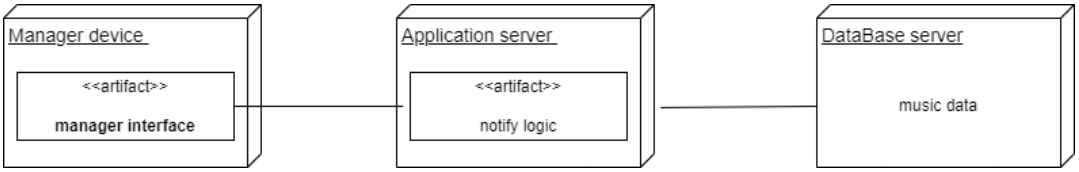


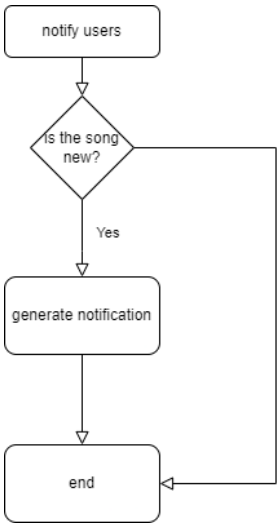


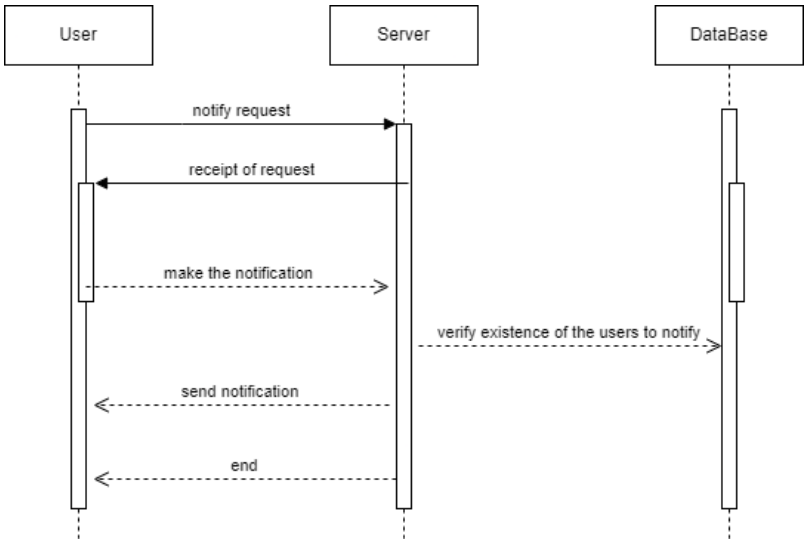


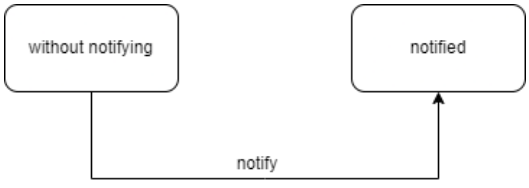


6. As manager, I want to notify users about new releases within the application.

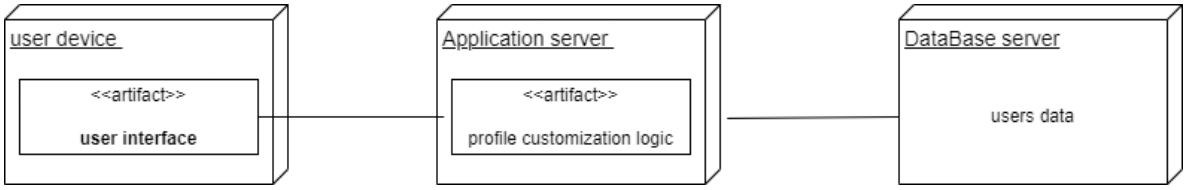


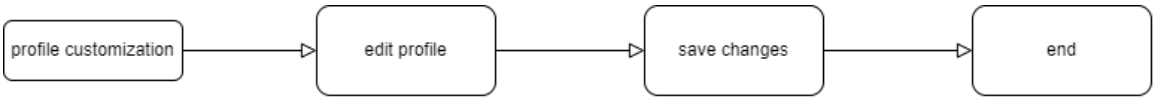


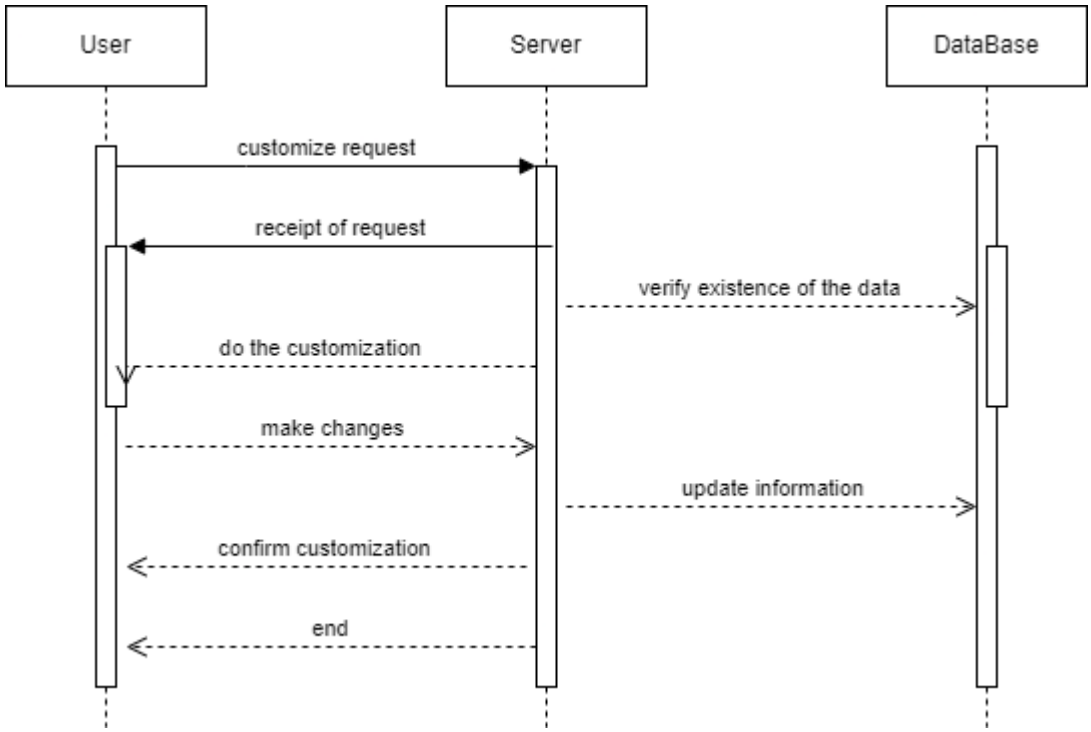




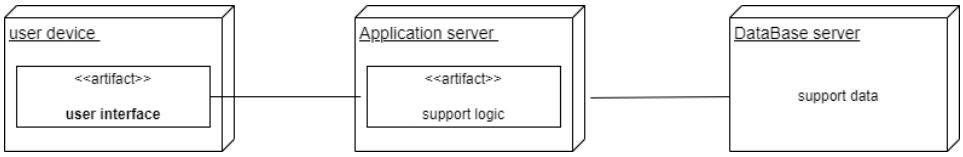
7. As user, I want to customize my profile.

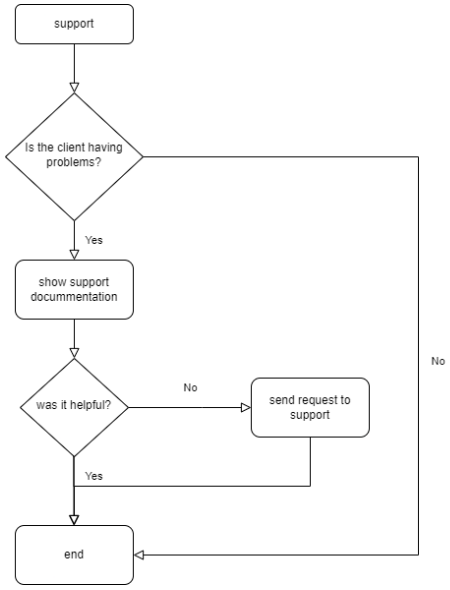


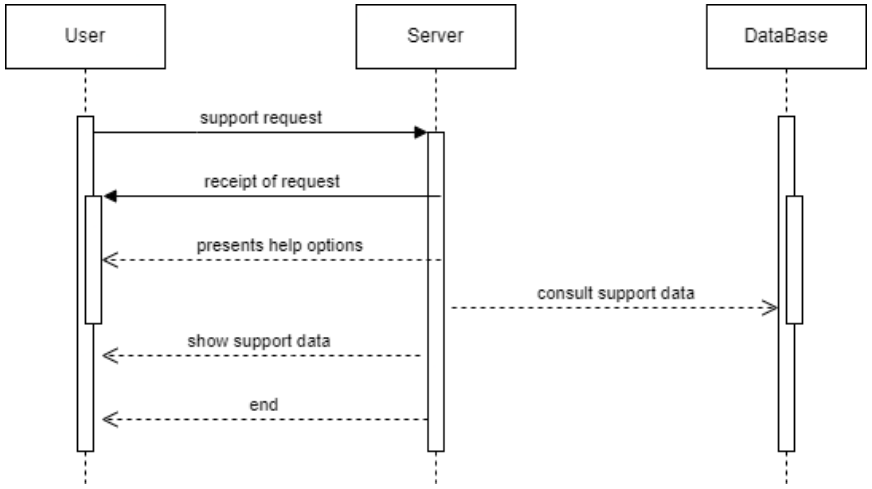


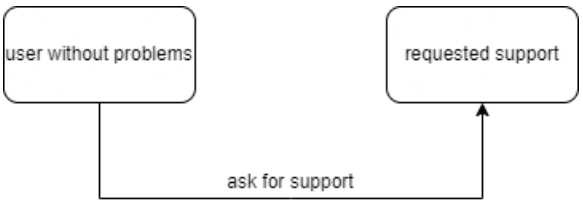


8. As user, I want to be able to get help if I am having problems in the application.

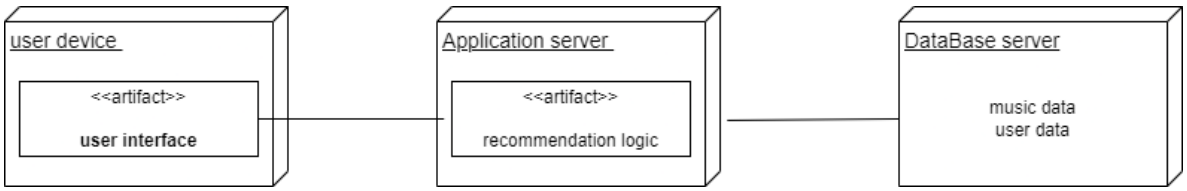


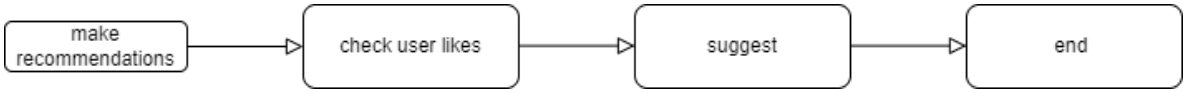


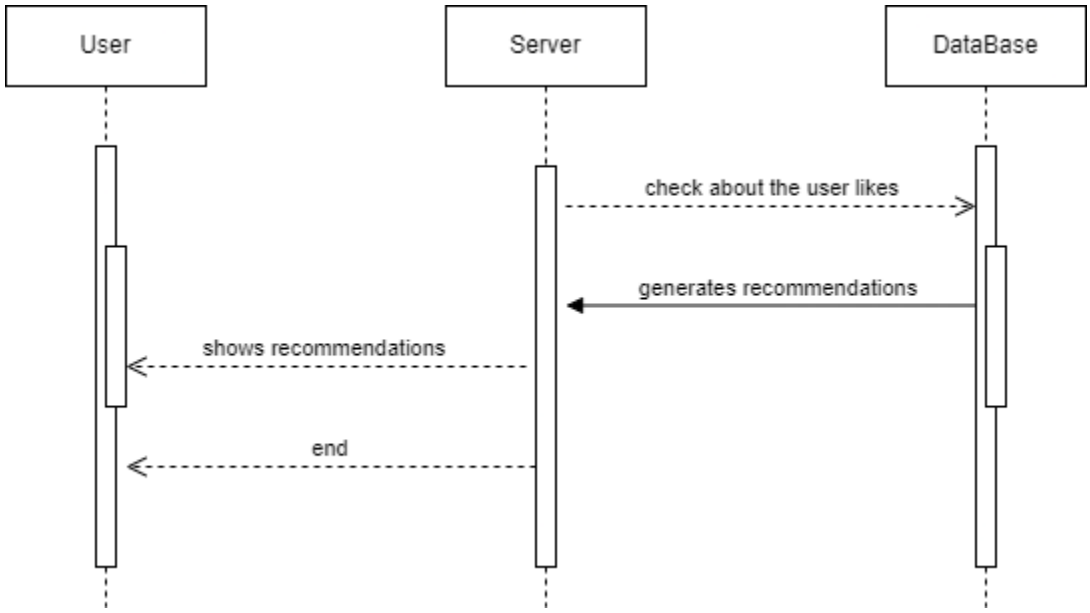


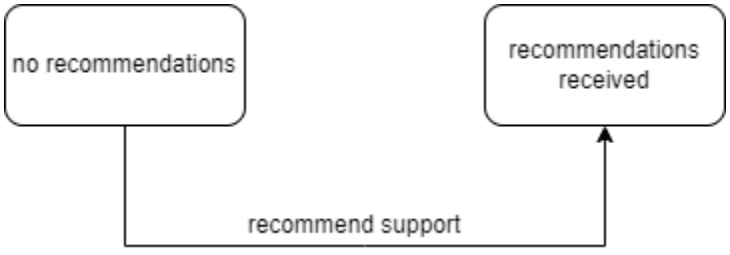


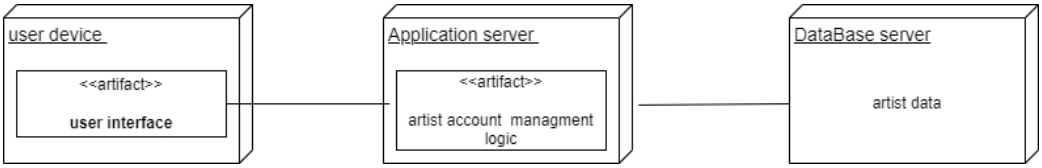
9. As user, I want to receive song recommendations based on my tastes.

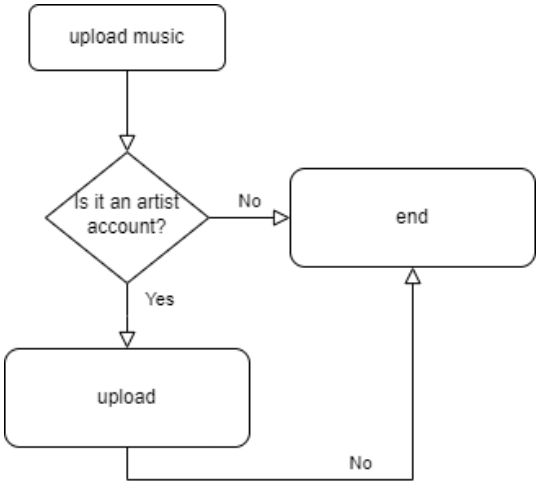


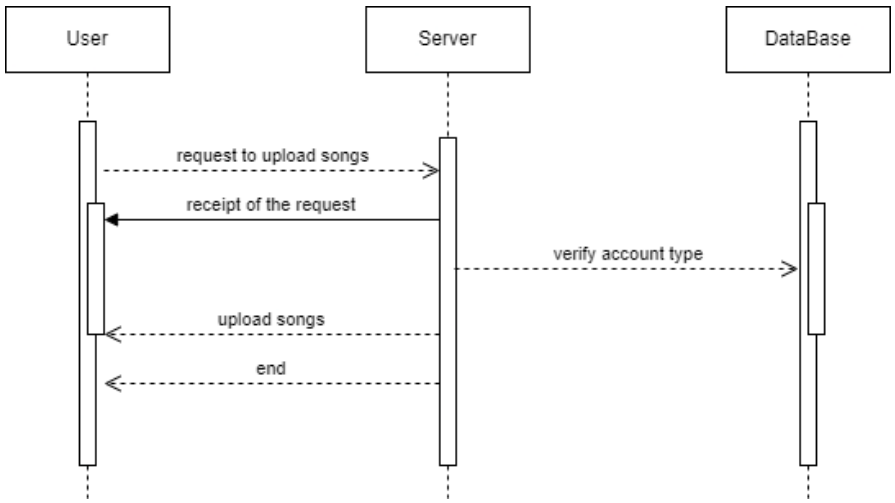


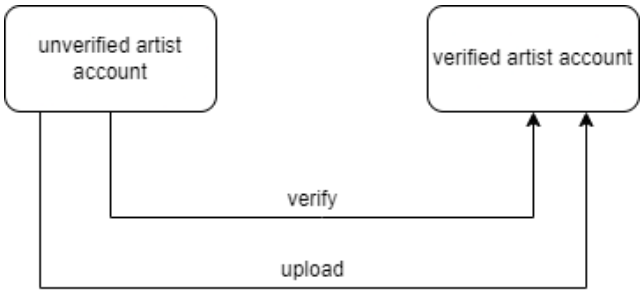












10. As artist, I want to create an account to upload my songs.
